

EXCELLENCE, INNOVATION, RESPONSIBILITY EXPERTISE YOU CAN TRUST

Universally accepted and highly sought-after, our cast and minted products make valuable additions to portfolios and collections.

Our bars have consistently set the standard for quality in the precious metal industry.

We process all of our metals transparently and responsibly, ensuring their traceability from the source to the consumer. As part of Heraeus Precious Metals, we are the largest global service provider in the precious metal industry.

Every bar displays our emblem, a symbol of our long-standing tradition of excellence, trust and quality.

ARGOR-HERAEUS: CRAFTING EXCELLENCE IN PRECIOUS METALS

Argor-Heraeus is a precious metal company founded in 1951 in Mendrisio, Switzerland. From source to the end user, all along the entire precious metal supply chain, Argor-Heraeus is the ideal partner for every precious metal solution, working with a wide variety of trusted customers and partners.

All of our cast and minted bars are Good Delivery accredited. As an affirmation of our high standards, Argor-Heraeus is one of only five "Approved Good Delivery Referees" of the LBMA.

Our key role as an long-established refinery is reflected to this day in our core values of responsibility, excellence, trust and innovation.
